Wedding Themes & Styling

A story from behind the scenes…

Our four styles offer a different look and feel to cater to all tastes. They are simple and beautiful with the majority of elements made in Fiji or found on Malolo Lailai Island. Where possible we try to use 'Rise Beyond the Reef' for Fijian made items. Supporting the 'Rise Beyond The Reef' initiative ensures the passing of knowledge of these traditional crafts to future generations. Hand-made by artisans in the remote villages of Ba, Nadi (Viti Levu) and Macuata (Vanua Levu), these items are not only authentic but support communities in areas where poverty is prevalent.

The Bar

One of the most important features at any wedding is the bar! Our wedding bar was made by Plantation Island Resort staff and is perfect for after ceremony refreshments or use at your reception. The bar is styled with fresh tropical flowers and is perfect for cocktails, coconuts and champagne.

Choose one of these styles for FJ$780

Boho Romance

Whimsical and rustic with a relaxed island vibe, this style will set the theme for your entire wedding. We use earthy elements to create a simple but unique look and feel. Barefoot sandals, flowy wedding dresses and flowers crowns are perfect for this setup.

Tropical

This theme is a great style for those who love the lush green of the tropics. Green foliage is available all year round and provides a lush tropical feel to your day.

Colourful

A striking tropical palate can be used to add a pop of colour to your wedding. Using the tropical elements that Fiji has to offer we can create something colourful, elegant and unique just for you.

Tribal

Incorporate the traditional Fijian culture into your wedding with natural warm browns and tapa, highlighted by splashes of colour in the floral arrangements.

Wedding Cake

Plantation Island Resort would be delighted to create a cake to help celebrate your special day.
If you have a particular style or decorations in mind, please send a photo to your wedding coordinator and they can discuss options with the Chef on your behalf.

- Heliconias in dark orange & black, yellow & pink and light orange - also available all year round
- Dendrobium orchids in white, or shades of purple - in high demand and low supply between the months of July and October; the most popular flowers for weddings
- Pink anthurium - seasonal. There are other colour variations such as red, white and green but these are not always available
- Frangipani is another popular option but is seasonal and weather dependent. Beautiful arrangements of this quintessentially tropical bloom look and smell great, however some florists discourage the use of these flowers as they have a tendency to wilt and brown quickly after picking.
