KERATIN SMOOTHING TREATMENT

Keratin Smoothing Treatment reduces frizz and delivers smoother, more manageable humidity-resistant hair for approximately 3+ months. Transform your frizzy, difficult hair into soft, manageable, beautiful locks. Enjoy no wait time to wash, swim or pull back with clips or a ponytail! You'll leave the salon looking fantastic with completely wearable hair – and the best part is our treatment is about 40% less than you'll pay overseas.
